What Happens Next?

Once this form is complete, gather all receipts, invoices, bills, cancelled checks or credit card statements verifying paid in full and scan into **one file**. Attach the file in the **Upload** button at the bottom of your **Follow Up** or you may email the one file to us: Julie@RaibrookFoundation.com.

Remember! You must spend your allocated funds before spending Raibrook grant funds. You must also provide receipts for the allocated fund plus the grant fund expenses. Raibrook will audit your receipts and documents and let you know if you need to refund unused grant funds.

You do not have to complete your project to close. If you have proof of all expenses and payment, you can close your grant.
